

Certificate In Polymer Technology

Course Information

LEVEL 6

Duration: 1 year part-time (mainly online)

When: September – May

Entry Requirements: Level 5 qualification (Leaving Certificate) and preferably working in the industry with a technical aptitude. For those who do not have the required entry qualification RPL (Recognition of Prior Learning) may apply.

Full Fees: €2,450 per year / €1,225 per semester

Funding: 30% available via your employer from FPT. €1, 715 per year / €858 per semester

Application Deadline: 31st August each year unless otherwise advertised, but it is advisable to apply well in advance as this programme has been previously oversubscribed. If you decide to apply and are accepted please let us know (before paying a deposit) if you wish to avail of funding.

Programme Details

The subjects covered on this year long programme include:

Mathematics (5 Ects)	Plastic Materials & Processing (5 Ects) *
Instrumentation (10 Ects)	Plastics Materials Selection (10 Ects) *
Computer Aided Design & Modelling (5 Ects)	

Ects are credits

* Courses delivered by First Polymer Training Skillnet

Online lectures are generally delivered 2-3 evenings per week. This programme also requires attendance on approximately six* practical days (normally Fri/Sat – 2 days in Sligo and 1 day in Athlone each semester) during the year in addition to an induction day in September (virtual). Live lectures are recorded and can be accessed throughout the year for review or if missed by students. Exams* are generally scheduled in January and May. Students may attend exams at any one of the following locations - Sligo/Dublin/Cork.

* some practical days / exams may be conducted virtually
